Introducing,

Our

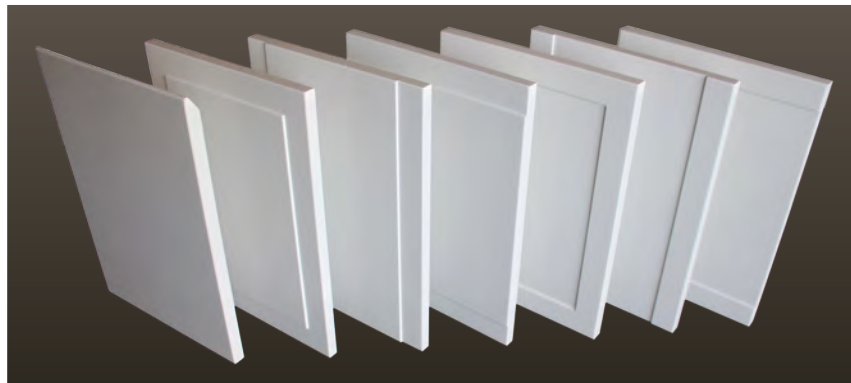

Linea d'Italia

C O L L E C T I O N

Meet “la Famiglia”

The Linea d'Italia is an entirely new collection of doors that showcase Italian inspired design. There are seven new doors in this urban collection all offered by Softouch, with the exception of the Pendenza, which is also offered by Fullwrap. These new profiles have a modern look, with refined lines that are subtle and eye catching.

Fiero 1600
This guy prides himself on being different. He has a proud face, and recessed frame.
*

Fiero 1610 (vertical)
The sorella's clean, trim design is also proud, with vertical recessed rails.
*

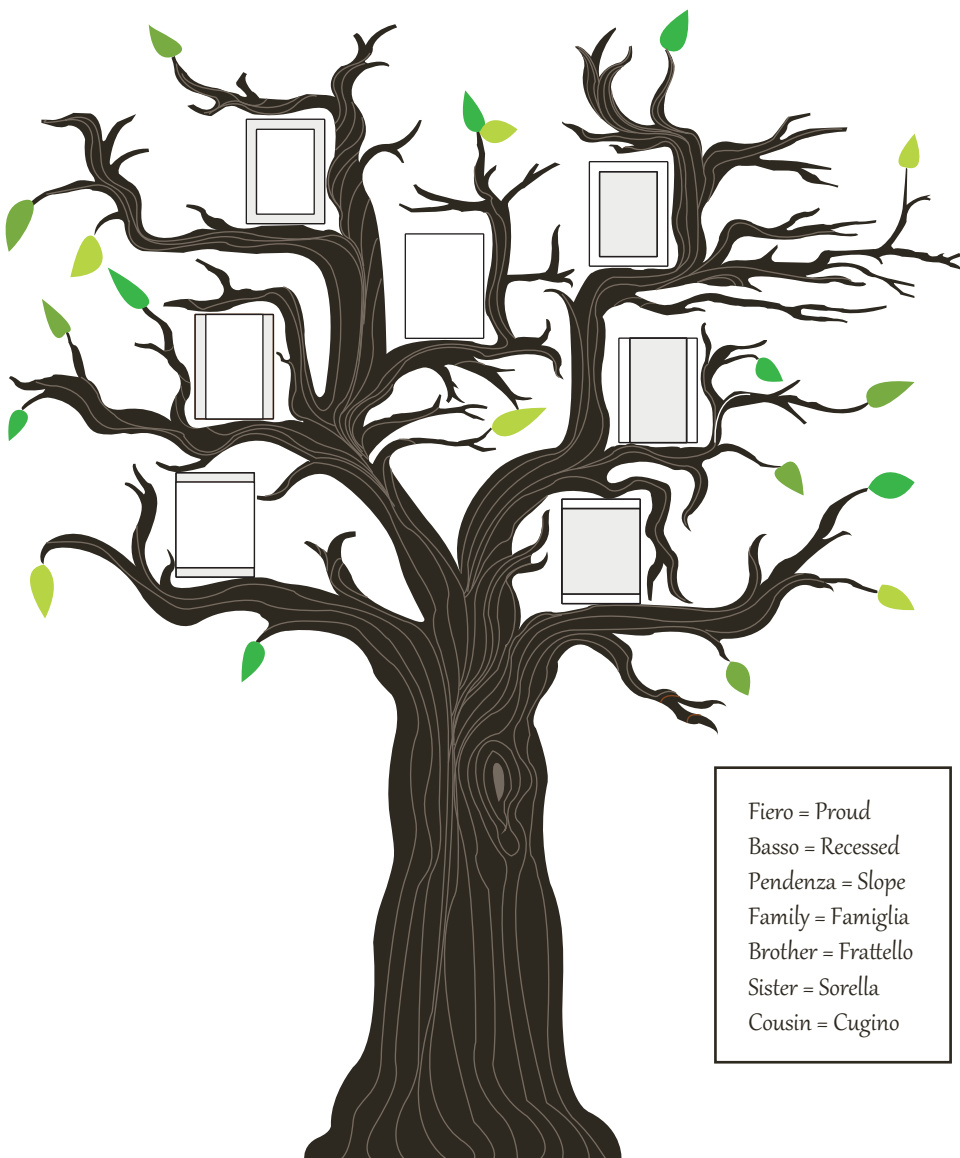

Fiero 1615 (horizontal)
The fratello's unique design is also proud, with horizontal recessed rails.
*

Basso 1700
This guy is opposite his cugino the 1600, instead he has a recessed face, and proud frame.
*

Basso 1710 (vertical)
This door is the cugino of the 1610. She has proud vertical rails and recessed face.
*

Basso 1715 (horizontal)
This unique horizontal design, cugino to 1615 has a recessed face, with proud rails.
*

Pendenza
This young modern door is all about that slope. He has clean lines, and surface void of any decorative hardware.
